Pure White	Antique White	Hopsack	Chelsea Gray
Poinsettia	Rookwood Dark Red	Forestwood	Rookwood Shutter Green
Naval	Chateau Brown	Black Bean	Tricorn Black

Lasting Color

Our multi-step paint process ensures durability and is safe to the environment. The end result is lasting color you can enjoy for years to come.

DURABLE FINISH

Our 4 coat spray process begins with 1 coat of primer followed by 3 coats of paint. Each coat is then sent through a drying oven for a durable baked on finish.

ENVIRONMENTALLY FRIENDLY

Our paint process utilizes water based paints and the latest "green technology" spray equipment to help reduce solvent emissions that help promote better air quality and a greener environment.

WARRANTY

Our doors come with a 2 Year Finish Warranty. A touch-up paint bottle is included with each door.

Note: Colors shown in the flyer are an approximate representation of the actual color; Actual finished color may vary in tone/shade (darker or lighter) from what is shown in the flyer.

Additional Options

You can now choose a different interior color to match your home's décor or paint your jambs.

JAMB OPTION

Primed pre-painted jamb or composite pre-painted jamb.

STANDARD
Primed White (Smooth)

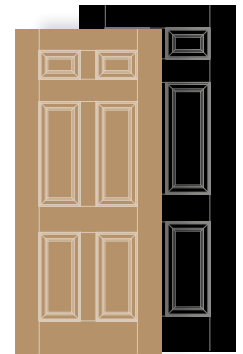

STANDARD
Primed Tan (Woodgrain)

COMPOSITE
Composite (White)

2 COLOR OPTION AVAILABLE

You have the option to choose two separate colors for the exterior and the interior of your door in order to best suit your home's décor.
